Little Boy... The Virtue of Sharing...

ST. SEBASTIAN'S CHURCH
CHERUVETTUKAD, TRIVANDRUM, KERALA, INDIA

Jesus feeds the five thousand (John 6: 1-14)

The mind, of that Little Boy in front of us, provides us with an immense comfort and an inspiring model, upon each reflection. That boy, who placed the five loaves and the two fish before Jesus, became the instrument for a great miracle. Whoever seeks the goodness of Jesus, encounters this little boy. Whosoever gave a place to the hungry, the thirsty, the stranger, the naked, the sick and the imprisoned, likewise became a transformed symbol of the Divine Mercy. Our humaneness blossoms when we become the strength to the weak around us. When our little savings become life for others, then we grow to the innocence of a child. It makes us identify ourselves with the mercy of Christ.

Let's fill the bowl of 'Little boy' with our share of sweat, to become part of the handiwork of God. Let's remember them, whom God never forgets.
